COLLECTION

TIMELESS DESIGN. REIMAGINED.
PERFORMANCE UNCOMPROMISED.

At Caroma, we believe bathrooms are more than just functional spaces, they're integral parts of our daily lives. For 80 years, we have dedicated ourselves to creating purpose-built products and solutions that are designed for living and built for life.

As leaders in the industry, we put people at the heart of everything we do. The Caroma team is committed to developing inspiring and innovative products for all needs, using our knowledge and expertise to ensure every detail enhances the way we all live.

Our products have been designed and stringently tested at our dedicated Design and Innovation Centre in Sydney.

Enjoy peace of mind with extensive warranties across Caroma Collections, with up to 20 years warranty.

CAROMA

CAROMA

Timeless Design, Reimagined.

The Caroma Riviere Collection brings together the charm of heritage design and the sophistication of modern living. This complete, whole-of-home range spans bathroom, laundry and kitchen: tapware, basins, toilets, baths and accessories, all designed to work together as one coordinated look.

Whether you're renovating a coastal Hamptons-style home, restoring a Victorian-era federation terrace, warming up a farmhouse build, or finishing a contemporary suburban home, Caroma Riviere adapts effortlessly to suit the story of your home.

HIGH QUALITY CERAMIC

The full Riviere Collection features carefully chosen materials to keep up with the rhythm of daily life in the bathroom. Enjoy the benefits of durable Caroma ceramic across basins and toilets, easy to clean acrylic finishes for baths and high quality brass fixtures for showers and tapware.

VJET® - VARIABLE CONTROL SPRAY

A luxury shower experience that puts you in control. Use the slider to seamlessly transition from an invigorating shower spray through to a gentle mist, and everything in between.

PVD

Superior PVD finishes provide excellent durability and enable complete personalisation, with curated colour and finish mix-and-match opportunities.

COLLECTION

CAROMA

Toilet Suites

Caroma Riviere brings timeless style to one of the most important pieces in the bathroom. Available in wall-faced close-coupled and Invisi® configurations, every Riviere toilet suite pairs classic proportions with the technology to back it up.

Cleanflush® removes the hidden rim of the bowl for a powerful, whole-bowl clean with no splashback, while GermGard® adds an antimicrobial surface that helps prevent the spread of harmful bacteria. Behind the wall, our patented Uni-Orbital Connector allows for a flexible 50mm radius of connection to overcome installation issues, and the Adjustable Flushpipe lets you quickly realign the water inlet of your Invisi® II in-wall cistern without damaging your wall.

Available in classic Gloss White and contemporary Matte White, so you can choose the finish that suits your space.

Powerful performance delivers a cleaner flush every time.

By removing the rim of the bowl, there is now nowhere for germs to hide. And by adding Caroma's flush and flow features we've created a superior flushing performance that delivers a cleaner clean.

Powerful Clean

Cleanflush® rimless design breaks through it all to reduce cleaning

Built for Hygiene

Large drop zone bowl reduces splashing and cleaning

Made to Perform

Slim design, water efficient, built to last

Built for Australian homes

Tested beyond local standards so you can rely on Caroma

Basins

Our Riviere Collection basins feature a sculpted, thin rim design that brings a statement look to your bathroom. You can explore new tones for your bathroom, with classic gloss and matte white to complement your design. Riviere basins include an integrated ceramic pop-up plug and waste which sits flush with the basin when open.

To match the colour of your bathroom products, explore our optional pop-up plug and wastes. Available in chrome, matte black, brushed nickel, brushed brass and brushed bronze, these metallic plug and wastes provide a consistent design match with Riviere tapware, showers and accessories.

ABOVE COUNTER BASIN

Above counter basins are installed directly on top of a vanity with minimal installation requirements.

INSET BASIN

Inset basins are partially set into a vanity, reducing the appearance of the basin rim without reducing the depth of the bowl.

HAND WALL BASIN

Hand wall basins are installed directly to the wall, specially designed for small ensuites and powder rooms to maximise space.

UNDER COUNTER BASIN

Hand wall basins are installed directly to the wall, specially designed for small ensuites and powder rooms to maximise space.

Tapware & Mixers

The Caroma Riviere Mixer Collection combines timeless elegance with a classic design aesthetic, offering a range of configurations to create a refined and cohesive bathroom space. Choose from a range of incredibly durable PVD finishes across brushed brass, brushed nickel and brushed bronze, alongside classic chrome.

CAROMA
EASYSWITCH

The collection features Caroma EasySwitch®, the universal in-wall body system that gives you ultimate flexibility. The in-wall bodies can have their trim kit, colour finish and design interchanged pre or post-installation, eliminating costly hold-ups and allowing you to quickly and easily update the design, colour and style without costly rectification work.
