Collection

2024 Brochure

At Caroma, we believe bathrooms are more than just functional spaces – they're integral parts of our daily lives. For over 80 years, we have dedicated ourselves to creating purpose-built products and solutions that are designed for living and built for life.

As leaders in the industry, we put people at the heart of everything we do. The Caroma team is committed to developing inspiring and innovating products for all needs, using our knowledge and expertise to ensure every detail enhances the way we all live.

Our products have been designed and stringently tested at our dedicated Design & Innovation Centre in Sydney.

Enjoy peace of mind with extensive warranties across Caroma Collections, with up to 20 years warranty.

CAROMA
CLEANFLUSH®

Our patented rimless toilet technology delivers a whole bowl clean with no splashback.

CAROMA
GERMGARD®

A unique antimicrobial formula that kills harmful bacteria, preventing the spread of nasty germs.

CAROMA
**UNI-ORBITAL®
CONNECTOR**

Our patented connectors overcome installation issues by allowing for a flexible 50mm radius for connection.

CAROMA
**ADJUSTABLE
FLUSHPIPE**

Quickly realign the water inlet of your Invisi II in-wall cistern without damaging your wall.

*See www.caroma.com.au for full warranty details

CAROMA
Made For Life

Classic, elegant and minimalist style defines the Liano Collection. It's the perfect collection to complement any style for years to come. Combined with a modern range of stunning colour finishes to provide even greater design flexibility and expression.

PVD WARRANTY

Superior PVD finishes provide excellent durability and enable complete personalisation, with limitless colour and finish mix-n-match opportunities.

HIGH QUALITY CERAMIC

The Liano basin collection features carefully chosen materials to keep up with the hustle and bustle of daily life in the bathroom. Enjoy the benefits of durable Caroma ceramic across our broad range of basins with multiple configurations to suit your needs.

COLOUR

Find the perfect colour match for your bathroom, with colour finishes including PVD brushed brass, brushed nickel and gunmetal, as well as electroplated black and chrome across tapware and accessories, and six colour options available on basins.

CAROMA

EASYSWITCH

Featuring Caroma EasySwitch, the universal in-wall body system that allows you to complete rough-in before finalising your colour and design selection. This saves you time and money while providing greater choice and flexibility.

Liano Collection

CAROMA

Made For Life

Basins

Crafted from highly durable Caroma ceramic, the Liano Basin Collection's modern thin rim design is smooth, stain-resistant and available in a stunning range of colours.

Pair with the striking range of the Liano Tapware Collection or elevate your basin look with our optional new dress ring accessory – both with five beautiful and durable colour finishes – chrome, matte black, PVD brushed nickel, PVD brushed brass and PVD gunmetal with optional pop-up plug and wastes available in the same colour range.

ABOVE COUNTER BASIN

Above counter basins are installed directly on top of a vanity with minimal installation requirements.

INSET BASIN

Inset basins are partially set into a vanity reducing the appearance of the basin rim without reducing the depth of the bowl. Some inset basins will also feature an integrated tap landing.

UNDER/OVER COUNTER BASIN

Mounted underneath your vanity for seamless lines and no visible appearance of the basin rim.

HAND WALL BASIN

Hand wall basins are installed directly to the wall, specially designed for small ensuites and powder rooms to maximise space.

When designing your bathroom, consider matching your dress rings with metallic Liano II pop-up plug and wastes and bottle traps.

Bathroom Mixers

The Caroma Liano II Tapware Collection features a signature architectural, minimalist style and timeless elegance. Available in a beautiful and highly durable palette of five colour finishes including PVD brushed brass, brushed nickel and gunmetal, as well as electroplated black and chrome, the collection can be tailored to suit a range of styles and tastes.

CAROMA
EASYSWITCH

The collection features Caroma EasySwitch®, the universal in-wall body system that gives you ultimate flexibility. The in-wall mixers have unique flexibility in that the trim kit, colour finish and design can all be interchanged pre or post installation - eliminating costly hold ups as well as allowing you to quickly and easily update the design, colour and style without costly rectification work.

Kitchen Sink Mixers

The Liano II Kitchen Sink Mixer Collection is the perfect balance of design and functionality. Available in multiple functions and a varied colour palette, this collection can be tailored to let your personal expression and culinary passion shine. Environmentally friendly, durable and hard wearing, our premium PVD finish will keep your kitchen looking stunning for years to come. All mixers have a water efficient WELS 5 star flow rate (6L/min) with an optional ultra-water efficient WELS 6 star (4.5L/min) flow.

COOL START DESIGN

With energy efficient Cool Start design, only cold water flows initially, so your pipes are not filled with hot water unnecessarily. Only when you deliberately move the lever to the left does hot water get added.

INTERCHANGEABLE HANDLES

Mix and match your mixer tap. Personalise by pairing the tapware with either the Liano II or Urbane II handle, sold separately.

MULTIPLE ROTATION LOCKS

Standard Mixer Taps, 70°, 140° or 360° rotation angles (single and double bowl).

Pull-out Mixer Taps 70° or 140° rotation angles (single and double bowl).

Pull-Down Mixer Taps 140° rotation angle (double bowl).
